Dear Valued Customer,

We are issuing this letter to inform you that Welch Allyn will discontinue manufacture of the Spot[®] Vital Signs Device (4200 series) globally, as of December 1, 2017. Service and support for these products will continue for five years from the end of manufacture date or until parts and accessories are no longer available.

Welch Allyn recommends the Connex[®] Spot Monitor as a replacement vital signs device for your Spot Vital Signs Device, as it provides industry leading vital signs monitoring and electronic documentation. Please contact your local Welch Allyn sales representative or customer care on 1800 650 083 for additional details.

We appreciate your understanding in this matter and we will continue to help you provide the best possible patient care.

A handwritten signature in black ink, appearing to read "D. Cashion".

Sincerely,
David Cashion
